May You Have A Restful And Joyous Thanksgiving Holiday!

Jacob Cintron

Throughout the year we work hard to serve our patients and community with the best healthcare in El Paso. This Thanksgiving, let's all be thankful for our successes, the lives we have improved and the advancements we have made as a hospital. This is also a time to relax with friends, family or others in our community. During this time of Thanksgiving, I want to express my appreciation for all of our Associates. I appreciate your high standards, persistence and at many times, your sense of humor when it is needed most. Happy Thanksgiving!
