FOR IMMEDIATE RELEASE

For The First Time, Patients Can Now Get Prescriptions From the UMC West Clinic Through Mail

EL PASO, Texas – University Medical Center of El Paso (UMC) is making it easier for patients to receive their prescriptions through a new mail-order delivery service from our UMC West Clinic Pharmacy, located at 6600 N. Desert Blvd.

This new service offers a convenient way for customers to get qualified medications sent straight to their door.

Most prescriptions qualify for this service and can arrive within 1-2 business days after an order has been placed. A \$3 delivery fee per package will be charged to a card on file to use this service.

Once a prescription has been ordered, customers can receive real-time updates on the status of their order via email or text message. Standard message and data rates may apply.

The service is currently offered at the UMC West Clinic Pharmacy with plans to expand to other UMC retail pharmacies throughout El Paso in the near future.

Customers do not have to be UMC patients to use our pharmacies. Dental prescriptions are also welcomed.

To schedule a prescription delivery, call 915-521-2263.
